MEMORANDUM FOR THE RECORD

SUBJECT: H.R. 2957, a state draft report to amend the Foreign Assistance Act of 1961 to protect tropical forests in developing countries

1. On 27 September 1985, I called OMB by phone and provided our comments on the State draft report on H.R. 2957. This legislation would amend the Foreign Assistance Act of 1961 to protect tropical forests in developing countries.

2. Our comments were provided by the Geography Division/DI. They concurred with the State report which supported the legislation. Moreover, the Geography division also suggested that the report be amended to reflect the fact that the United States is a member of the International Tropical and Timber Organization
